Cllr P Jay nominated Cllr J Cooper and this nomination was seconded by Cllr T Wray. There were no other nominations.

RESOLVED: That Cllr J Cooper is elected as Mayor of Woodstock for 2014/15.

WTC/2/14 ELECTION OF DEPUTY TOWN MAYOR AND SIGNING OF THE DECLARATION OF ACCEPTANCE OF OFFICE

The Mayor nominated Cllr Robertson and this nomination was seconded by Cllr Poskitt. There were no other nominations.

RESOLVED: That Cllr M Robertson is elected as Deputy Mayor of Woodstock for 2014/15.

Cllr Robertson signed the acceptance of office form in the presence of the Town Clerk.

Cllr Mrs V Edwards left the meeting at this stage.

The Mayor asked for the Council's agreement to invite Mr Mellor from Kemp & Kemp to address the Council and residents about the Pye planning application associated with the agenda item 20 Planning, (iii) Concerns Arising Subsequent to 6th May WODC Sub-Committee Deliberations on Planning Applications for Field between Marlborough School and Budds Close. The Council agreed to this.

WTC/3/14 PLANNING
(iii) Concerns Arising Subsequent to 6th May WODC Sub-Committee Deliberations on Planning Applications for Field between Marlborough School and Budds Close and Union Street Garage

Mr Mellor addressed the Council and said that it appeared that WODC were mindful to approve the application unless it was called in by the Government in response to the objection raised by "Sport England" – a national body promoting sporting

excellence. The Government must now decide whether it will consider the application or return it to WODC for processing. If the Government call it in it will take the decision out of WODC's hands and be largely based on national rather than local considerations. Mr Mellor provided examples to illustrate how this has been done in the past.

Mr Mellor anticipated that it would take the Government approximately 1 month to make this decision. The Mayor asked if WTC should make representations to the National Planning Policy Case Worker but in Mr Mellor's view this would only be worthwhile if there were planning matters beyond local considerations to present, and he suspected that there were not.

Mr Mellor said that if the District Councils challenge the Oxfordshire Strategic Housing Market Assessment (SHMA) it would be unlikely to affect the Government's call-in position. However if the application is sent back to WODC this may put WODC in a different position.

A Cllr asked whether a judicial review could be called for if it could be shown that there was a flaw in the recommendation of WODC due to inaccurate information. Mr Mellor suggested that:

- (i) WTC or individuals could use the WODC corporate complaints procedure to set out their concerns at any time before a planning decision is issued by WODC. The WODC complaints procedure might then trigger the planning application to be brought back before the Uplands Sub-Committee which might be beneficial in light of the challenges to the SHMA that are currently underway. The SHMA challenges may result in a different consideration due to new material considerations relating to the 5 year housing supply and the effect of these on policy H7.
- (ii) WTC should keep the consideration of a request for Judicial Review on hold for now as this could be called for within 90 days of the issue of a planning decision notice. Mr Mellor noted that this route could be costly to WTC as he recommended that a planning barrister would need to be engaged and instructed.
- (iii) WTC could consider making a complaint of mal-administration to the Local Government Ombudsman but if this action was going to be taken it should be done quickly before the Government send the application back to WODC for a decision.

Cllr P Jay proposed the following motion which was seconded by Cllr S Parnes and it was

RESOLVED (unanimous) that the Council:

- (i) Notes with deep disappointment and shock the decision of the planning committee on the Marlborough Field.
- (ii) Considers that the threat that this development poses to the Woodstock Community remains as dire and damaging as ever.
- (iii) Notes with keen interest the advice received at this meeting from Mr Huw Mellor (Kemp and Kemp) in regard to the options remaining for further opposition to the proposed development.
- (iv) Calls upon the Mayor to invite one or more Councillors to work intently with Mr Mellor to develop its strategy for further opposition to the development.
- (v) Calls upon that team to report back to the Council with all deliberate speed.

ACTION: The Mayor will invite people to join this group.

A resident thanked WTC for this resolution. The Mayor thanked Mr Mellor for attending the meeting and addressing the Council and residents. Mr Mellor then left the meeting.

The Council then reverted back to the agenda

WTC/13/14 PUBLIC PARTICIPATION SESSION WITH RESPECT TO ITEMS ON THE AGENDA

- (i) Mrs Sarah Williams: had previously requested an opportunity to address the Council about a highways and transport matter but addressed the Traffic Advisory Committee instead.
- (ii) Dr Bob McGurrian
Dr McGurrian addressed the Council about Agenda Item 17 Motions Presented to Council, (iii) Motion from Cllr T Wray: Neighbourhood Plan. Dr McGurrian said that WAG considered that the idea of a Neighbourhood Plan was commendable. He asked that if the motion was approved by WTC that WAG be included in the formation of any such plan and be represented on any ad hoc committee, working group, task force or meeting to establish a Neighbourhood Plan. Dr McGurrian also asked that the number of WAG representatives on such a group be equal to that of any other local groups that are involved.
- (iii) Mr Chris Pomfret
Mr Pomfret addressed the Council about Agenda Item 17 Motions Presented to Council, (i) Motion from Cllr B Yoxall: Woodstock NatWest Bank. Mr Pomfret said that NatWest claim that to “serve our customers well is our purpose” but would not be doing this for Woodstock residents if they closed the Woodstock branch. He said that petitions had been circulated in the town and signed by 361 local residents who had expressed their unhappiness about the bank closing as it is a community issue for the businesses and many people in the local area. He had written to West Oxfordshire District Council (WODC) and the Oxfordshire Rural Community Council (ORCC) but had no response from them, but had received letters of support from the Plunkett Foundation, The Campaign for Community Banking and Woodstock, New York, USA.

Mr Pomfret gave Cllrs copies of the campaign update and the letter of response from RBS to the Prime Minister about this matter. Although he hoped that the Prime Minister would follow-up the response he feared that it might not be within the remaining two week consultation deadline. He said that senior managers within NatWest had written to various local people offering various alternatives and he noted that they had not followed the correct procedure. He invited the Mayor to attend a meeting that he was having on 21st May with the CEO of the Oxford Area and the Regional Director of NatWest.

WTC/14/14 COUNTY AND DISTRICT COUNCILLOR UPDATES

- (i) Report from County Councillor I Hudspeth
The Council received and noted the May report from County Cllr I Hudspeth. The April meeting of the full council had been in the Cherwell District Council facilities in Bodicote House and webcast. In response to a query about possible “buy-ins” from TCs/PCs Cllr I Hudspeth noted that County Hall was a listed building, that the use of a portable system was not possible and that you need proper installations for good sound and vision.
It was suggested that OCC Highways response to the proposed new development in Shipton Road appeared to look at site specific issues rather than the cumulative effect. Cllr I Hudspeth said that “one voice” gathered all of the information together and took into account previous developments for the effect of transport whereas traffic consultants look for a purely technical answer.

Cllr I Hudspeth confirmed that the possible A44 link road was still proposed as part of the "City Deal" and was not reliant on the Northern Gateway. He clarified that the work at Frideswide Square was being done now as part of a phased approach with work on the railway bridge being done either at Christmas 2017 or Easter 2018. Cllr I Hudspeth said that when the Oxford Parkway bus service is reviewed next year he would support a review about the need for an extra 303 bus service to Water Eaton.

(ii) Report from District Councillors J Cooper and E Poskitt

The Council noted the May report from District Cllrs J Cooper & E Poskitt.

WTC/15/14 **COMMUNICATIONS:** The Mayor reported that the interviewing panel had found a candidate to replace the Administrative Assistant and would be making a job offer soon. The Mayor reported that he had recently attended a very enjoyable event with the Danish Ambassador who was representing the "Holger Danske Clubben".

WTC/16/14 **QUESTIONS:** None.

WTC/17/14 **MOTIONS PRESENTED TO COUNCIL:**

The Council received and considered the following motions submitted in accordance with WTC Standing Orders from Cllrs B Yoxall, T Wray and S Parnes.

(i) Motion from Cllr B Yoxall: Woodstock NatWest Bank:

Cllr B Yoxall proposed that WTC wishes to:

- a) express strong misgivings about the proposed closure of the Woodstock branch of NatWest bank in view of its crucial role in the community life of the town and its hinterland and seeks assurances about the future of the cashpoint
- b) call upon Barclays to affirm its determination to continue to provide a banking presence in Woodstock for the foreseeable future
- c) record its appreciation of the efforts being made by the Woodstock sub-postmistress, Mrs. Swarn Lally, and the Post Office to expand facilities at the present town centre location."

Cllr Mrs E Stokes seconded this motion and discussion followed. Cllr P Jay proposed an amendment to (b) that was seconded by Cllr S Parnes but this fell on a vote. The Deputy Mayor proposed an amendment to (a) so that the words "to express our grave concerns" replace the words "strong misgivings" and this amendment was accepted by the proposer and seconder.

RESOLVED (unanimous)

that WTC wishes to:

- a) express our grave concerns about the proposed closure of the Woodstock branch of NatWest bank in view of its crucial role in the community life of the town and its hinterland and seeks assurances about the future of the cashpoint
- b) call upon Barclays to affirm its determination to continue to provide a banking presence in Woodstock for the foreseeable future
- c) record its appreciation of the efforts being made by the Woodstock sub-postmistress, Mrs Swarn Lally, and the Post Office to expand facilities at the present town centre location.

(ii) Motion from Cllr B Yoxall: Woodstock Hardware Shop:

The following motion was proposed by Cllr B Yoxall, seconded by Cllr L Maybury and WTC

RESOLVED (unanimous) that WTC wishes to congratulate Mr and Mrs Chanthirakumar on their initiative in making possible the reopening of the Shoe Repair shop in Woodstock under Mr Graham Broughall's continued excellent management and, from 5th May, the reopening of a hardware shop which they will run themselves, both being much valued facilities by the community at large. The Town Council wishes them and Mr Graham Broughall every success.

(iii) Motion from Cllr T Wray: Neighbourhood Plan:

Cllr T Wray explained that the reasons for this proposal were as follows;

- a. The neighbourhood plan if brought into legal force by the lead authority will be used to 'determine' and 'guide planning decisions'
- b. There is potential to apply for up to £7,000 through communityrights.org
- c. The Town Council have to date not led on providing a collective report for a development plan across the whole of Woodstock and this would be an opportunity to do so if funding can be achieved. Cllr T Wray recommended that the Council agree to exploratory work with a view to a full report and to Council with recommendations on next steps and plan of action if appropriate in June.

Cllr T Wray proposed, Cllr E Poskitt seconded the motion and the Council

RESOLVED (unanimous) that the council agree to some exploratory research take place to see if it would be beneficial for Woodstock Town Council to lead on a developing a neighbourhood plan for Woodstock with the community.

(iv) Motion from Cllr S Parnes: Council Papers: Cllr S Parnes proposed the following motion that was seconded by Cllr B Yoxall, that the Council:

1. Having regard to the fact that due to page limitations and other considerations Agendas cannot always include full texts of motions proposed;
2. Having regard to the fact that non-confidential papers and reports pertaining to Agenda items are legally available for public inspection before meetings but Town Hall opening hours for public access are limited due to operational constraints; and
3. Having regard for the value of transparency and public awareness,

RESOLVES:

(a) Henceforth Agendas should normally include a Schedule of "Papers Circulated" which will list papers and reports circulated to Members, and

(b) Agendas and accompanying non-confidential papers circulated will be placed in a folder at the public library to enable public inspection prior to Council and Committee meetings.

Discussion followed. A vote was then taken and the motion fell (3 votes for, 6 votes against and 1 abstention)

WTC/18/14 **STREET TRADING POLICY** (B/F from April Meeting)

The Council received and considered the pre-consultation exercise from WODC (previously circulated) and a motion from Cllr S Parnes (previously circulated) which was not seconded and so fell.

WTC/19/14 **WAKE UP TO WOODSTOCK MEMBERSHIP RENEWAL** (B/F from April 2014)

The Mayor proposed that WTC join "Wake up to Woodstock" and pay the basic subscription of £7.50 per month. Cllr L Maybury seconded this motion and discussion followed during which Cllrs were reminded that WTC already has a memorandum of understanding with WUTW dating back to 2008. Some Cllrs considered that it was important to preserve the Town Council as the elected body of the Town but to collaborate fully. A Cllr called for a named vote the result of which was as followed:

For: Cllrs L Maybury, E Poskitt, M Robertson and J Cooper (4)

Against: Cllrs T Wray, S Parnes, P Jay and Mrs E Stokes (4)

Abstentions: Cllrs B Yoxall and Mrs E Jay

The Mayor used his casting vote to vote against the motion in order to preserve the status quo and the motion therefore fell.
