Our thoughts and sincere wishes are with the residents of our Town who have relatives and friends in Ukraine. Nationals of both Ukraine and Russia may have made homes in our town, and we should all come together to support the victims of war.

6/3/22 Reports from Outside Bodies & Organisations

1) **Cottsway – Pre-Planning Consultation** three representatives attended the meeting to give a verbal presentation on plans for the re-development of the former sheltered housing scheme at Ryegrass. They advised that the scheme was not yet submitted and they thanked the members of the public present who had given their comments during public speaking, acknowledging the technical and emotional issues raised. They advised that the proposed scheme is for 37 apartments of one and two bedrooms for the over 55s an increase of 18 to the existing provision. The current scheme has become unviable and does not meet current national standards, whereas the proposed scheme will be well ventilated, highly sustainable buildings in four blocks, constructed of materials which meet the WODC design Guide.

Questions were raised regarding community rooms – none to be provided; heating – unlikely to be gas, PV panels and airsource pumps being investigated; lowering of roof height – will be considered; use of existing accommodation for refugees – will be investigated; lack of privacy and overlooking of existing properties – to be re-examined; reduction in number of units – would make scheme financially unviable; area of tarmac – can be permeable; amenity maintenance in other Cottsway properties – to be referred to local housing officers.
