

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Woodstock Town Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 16(1) of the Accounts and Audit Regulations 2015 requires the Notice of Conclusion of Audit to be published on the authority's website as soon as reasonably practicable after conclusion of an audit. The Council did not publish the notice until 2 months after the conclusion of the audit.

Box 11b on Section 2 of the AGAR was initially submitted with a 'No' response. This was later resubmitted with a 'N/A' response to Box 11b which was in line with our expectations. However this was then later resubmitted with a 'No' response. The Council is not a Trustee therefore Section 2 should have been completed with a 'N/A' response.

Other matters not affecting our opinion which we draw to the attention of the authority:

When initially submitted the figure presented for the prior year Box 2 did not agree to the figure per the AGAR our 2023 report was issued on. This was later amended and resubmitted with these figures correctly produced.

3 External auditor certificate 2023/24

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
